Welcome to Macro Mission! Today you will be taking part in a street action here in Vienna. You'll be working in groups, and each group has a set of tasks to complete. **The order in which you carry them out is completely up to you** – what matters is teamwork, creativity, and making sure all the tasks are fulfilled. You have a total of 120 minutes to complete everything.

Your time starts now!

Task 1

Bring a brief written message from a parent whose child is/was participating in an EU Erasmus exchange.

Task 2

Record three 10-second clips of the group dancing in front of

- a) the Stephansdom
- b) a statue of a famous Austrian composer
- c) the building with the following GPS coordinates:

Latitude: 48° 12' 23.43" N

Longitude: 16° 21' 54.94" E

When ready, please send the clips to +36 20 366 9336 or emese@europeanhouse.hu

Task 3

Take a creative group selfie with the Danube in the background – but everyone must pose as if you are rowing a boat.

When ready, please send the selfie to +36 20 366 9336 or emese@europeanhouse.hu

Task 4

Collect five objects in the bag what you received. The objects must each begin with different letters and those letters must spell out the word: WIEN.

Task 5

Write a 4-line poem about the Danube and perform it on a bridge over the Danube. Please record the group performance.

When ready, please send the video to +36 20 366 9336 or emese@europeanhouse.hu

When you've completed all your tasks (but not later than 13:00 hours), head to the meeting point: **Wien Hauptbahnhof, in front of Konditorei Oberlaa**. That's where we'll gather, share our videos and photos, and celebrate the end of the challenge together!

Good luck and enjoy!!!
